No. 423. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Bhowany, 8th July 1869, No. 62 :—

I HAVE the honour to submit here-
Plan and Estimate, No. 29, Rupees 10,230. with a plan and an estimate of Rupees 10,230 for quarters for a Commissariat Conductor and Staff-Serjeant at Cannanore, in lieu of those returned with G. O., No. 1,803, of 2nd June; and request permission to enter them in the Budget of 1870-71.

2. The estimate includes provision for a compound-wall, which cannot be dispensed with at the site necessarily selected; and covered passages and verandahs to the out-buildings are added as essential on the western coast. The scale of out-offices for the Conductor is that sanctioned for an Assistant-Apothecary, no other standard being known; but the nature of the ground does not admit of their being placed back to back.

MILITARY WORKS, No. 28.

THE Government approve of the estimates submitted with this letter, and authorise the Superintending Engineer of the 7th Division to include the works in his Budget Lists for 1870-71.
