No 473. Read the following Endorsement of the Consulting Engineer for Railways, dated Madras, 7th January 1869, No. 5 —

Read the following letter from the Agent of the Great Southern of India Railway, to the Consulting Engineer for Railways, dated Negapatam, 4th January 1869, No. 2,855.

I have the honor to state, in reply to your No 343, that, as explained in my No 2,837, of the 8th ultimo, the delay in furnishing the information required by you for preparing the Traffic Analysis for the half-year ending 30th June 1868, was owing to the work, previously entrusted to new hands, having to be entirely gone over again, but as the completion of these papers and the preparation of the current half-year's Returns is now specially provided for, I have every reason to hope that you will not have occasion in future to complain of similar delay.

—

SUBMITTED for the information of Government, with reference to G. O., dated the 18th ultimo, No. 3,967.

2 It is to be hoped that the arrangements made by the Agent will prevent any recurrence of the delay which has hitherto been almost regular.
