Sir,

I have the honor to request sanction
for the payment of Commission at 5 per cent
on the sale proceeds of the old Artillery
Barracks at Deuilon, to the Bugle
Major of the 2.3rd Regiment S. I.

2. The report of the sale of these build-
ings has lately been made to Government
in the Military Department, vide C.O.
N^o 1976 of the 14th June 1869. The sum
realized is Rs 891, and the Officer
Commanding

(Commanding) Deuilon writes, "Buzfe. Major
- (Co.) conducted the correspondence regarding
the buildings, drew out and circulated
the various documents concerning them,
and conducted the auction in person and
I consider it in a degree due to him, that
so large a sum was realized for the few
tumbledown buildings sold. Under these
circumstances I trust you will be good enough
to recommend the payment to him of a percentage
on the amount realized."

5. Deuilon being in isolated station at
a long distance from the nearest Range
in Sinnerelly, the sale of the old Barracks
could not have been conducted directly by
this Department; and on this account it
appears not unreasonable that the commission
should be allowed, before the proceeds of the
sale are paid into the Treasury to the credit
of the Government.
