Proceedings of the Madras Government, Revenue Department, 7th July 1869.

No. 129. Read the following Proceedings of the Board of Revenue, dated 19th June 1869:—

Read Government Order, Revenue Department, dated 10th May 1869, No. 1,275.

THE Board observe that the new form of cheque is preferable to that now in use, as it is a little larger in size, and contains more space for the necessary entries being legibly written.

2. The Controller of Public Works Accounts and most of the Superintending Engineers recommend its substitution for the present form, and the Board see no objection to its adoption.

3. The Board presume that it is intended to print the forms on the same description of paper as the specimen form. The thin paper now used for these cheques is quite unsuited for the purpose, and the entries are often rendered *unlegible*, because the paper absorbs ink.

No. 130. ORDER THEREON, 7th July 1869, No. 1,950.

Miscellaneous.

COMMUNICATED to the Public Works Department, with reference to paragraph 2 of the Order in that department, dated 30th April 1869, No. 1,422. The introduction of the new form of cheque seems to be desirable.
