Proceedings of the Madras Government, Public Works Department
26th January 1869.

No. 477. Read the following letter from the Principal of the Civil Engineering College, to the Secretary to Government, Public Works Department, dated Chepauk, 22nd January 1869, No. 484 —

1. In my No. 444 C., dated 7th instant, I had the honour to report, for the information of Government, that the gentlemen marginally* named (Students of 1st Department of the College) had, after a very strict examination, been found qualified as Assistant Engineers, Public Works Department, and in my No. 475, dated

* Captain G P Worster, M. S. C.
Mr. J T Simpson
" R Warder.
" J. A Price
S Mahadava Iyer
Mr. A. McD Salmon.

20th idem, I enclosed a detailed statement of the results of the examination, together with a copy of the examination papers.

2. I now do myself the honour to request that on the occurrence of suitable vacancies in the Public Works Department, the *qualifications* of these gentlemen may be considered, for I am aware that (under the terms of Government Notification, dated 28th March 1862,) they have no *claim* on the Government for employment.

3. From the nature of the examination just passed by these gentlemen, it may be reasonably inferred that their theoretical knowledge of Engineering is considerable, and such practical knowledge as was to be obtained from repeated visits to works in progress at the Presidency they have acquired, I therefore venture to hope that having regard to these qualifications, Government will be pleased to avail themselves of their services when a suitable opportunity occurs.

4 I desire to add that three of these gentlemen, viz, Messrs Simpson, Price, and S Mahadava Iyer, will appear for their B. C. E. Degree Examination next month.

No. 478 & 479.
