No. 609. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Pulney, 20th July 1869, No. 923 —

STRICT orders having been issued in G. O., No. 2,059, of the 24th June 1869, against any outlay without a special assignment of funds, I have the honour to request that I may have authority for carrying on the Subsidiary Jail works that have been sanctioned and commenced, but for which no assignments of funds have been made

2. In pursuance of orders in the Judicial Department, the Subsidiary Jail Committee informed me in their letter of the 12th February 1869, No. 276, there would probably be a grant of Rupees 60,000 for Madura in 1869-70, and Rupees 50,000 for the Tinnevely District.

By G. O., No. 1,443, of the 3rd May 1869, the question of the allotment of funds for the Dindigul Cutcherry "is to be considered hereafter," and in G. O., No. 816, of the 14th May 1869, Judicial Department, sanction is accorded to the outlay of Rupees 45,350, but no mention is made as to the provision of funds in the order thereon in this department, No. 1,723, of the 27th May.

3. According to paragraph 5 of G. O., No. 1,767-A., dated the 29th May 1869, application has been made to the Government of India for a special grant of funds under Civil Buildings to meet the requirements for Jails, so that every prospect has been held out of an ample assignment of money being made. Still the Controller takes exception to the expenditure now going on, and if there is any doubt about funds becoming available, I must stop the progress of all the works at once.

No. 610. ORDER THEREON, 26th July 1869, No. 2,439.

CIVIL WORKS, No. 89

THE Superintending Engineer of the 8th Division will be informed that the orders of Government under date the 24th June 1869, No. 2,059, being absolute, all expenditure incurred subsequent to their receipt on works which were not specially ordered to be proceeded with, or for which no allotments had been made, was irregular. Captain Prendergast will take immediate steps for the discontinuance of operations on all such works until funds are regularly provided.
