*Proceedings of the Madras Government, Public Works Department,
30th July 1869.*

No. 726. Read the following letter from the Consulting Engineer for Irrigation and Canal Company, to the Secretary to Government, Public Works Department, dated Madras, 22nd July 1869, No. 50 :—

No special provision to meet the outlay for the conveyance of the office-records of the Surveyor and for the batta of the Clerks employed under the Deputy-Collector, engaged in making over land to the Company in the Cuddapah District, was made in the Budget for 1869-70, in consequence of the Collector not having included an item on this account in his statement of requirements of funds for 1869-70, I have therefore the honour to request that you will be good enough to obtain the sanction of Government to the transfer of Rupees 200 for this purpose

from the sum of Rupees 1,200 allowed in the Budget for 1869-70 on account of the contingent expenses of this office.
 * From the Collector of Cuddapah, dated 14th May 1869, No. 219.
 To do. do., dated 21st May 1869, No. 27.
 From do. do., 16th July 1869, No. 922. 2. I enclose the correspondence* with the Collector on the subject,

From the Deputy-Collector in charge of the Treasury, Cuddapah, to the Consulting Engineer for the Madras Irrigation and Canal Company, dated Cuddapah, 14th May 1869, No. 219.

As no special provision to meet the outlay for the conveyance of the office-records of the Surveyor under the General Deputy-Collector for 1869-70 appears to have been made, I have the honour to request that you will be good enough to inform me against what allotment, in the current year's Public Works Budget (Part VI.), the above charges should be debited.

From the Consulting Engineer for Irrigation and Canal Company, to the Collector of Cuddapah, dated Madras, 21st May 1869, No. 27.

With reference to the letter, No. 219, of the 14th instant, from the Deputy-Collector in charge of the Treasury, I have the honour to inform you that there is no special provision in the current year's Budget for the outlay for the conveyance of the office-records of the Surveyor employed under the General Deputy-Collector, and you will find on referring to your docket, No. 1,034, of the 28th September last, that the statement of requirements for 1869-70 contained no item on this account.

2. If you consider it necessary that a provision should be made, I will, on your furnishing me with the particulars, ask the Government to sanction a transfer of the amount required from the allotment for the contingencies of my office.

From the Collector of Cuddapah, to the Consulting Engineer for Irrigation and Canal Company, dated Madanapully, 16th July 1869, No. 922.

In reply to your letter, No. 27, of the 21st May last, I have the honour to request the favour of your obtaining the sanction of Government for the transfer, from the source indicated by you, of the amount in the annexed memorandum.

Memorandum of contingent charges for which sanction is requested in addition to that granted in Consulting Engineer's letter, No. 140, of 13th March 1869—vide General Deputy-Collector's letter to Collector, No. 22, of 25th June 1869.
