*Proceedings of the Madras Government, Public Works Department,  
28th January 1869.*

---

No. 519. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 22nd December 1868, No. 4,682 —

1. I have the honour to report that the current year's Budget allotment, viz, Rupees 50,000, for the new Lunatic Asylum in course of erection at Kilpauk, Madras, is exhausted.

2. I enclose a statement submitted by the Executive Engineer, Northern Range, Presidency, from which it will be seen that a further sum of Rupees 40,200 could be laid out this year on the buildings in question, and I request that you will be good enough to arrange for the provision of the amount from savings at your disposal from other Divisions, as I know of no savings in this Division which I can recommend for transfer under "Civil Buildings"

No. 520. ORDER THEREON, 28th January 1869, No. 259.

CIVIL WORKS, No. 70.

The Government do not expect to be in a position to provide the large sum which is stated to be required to supplement the current year's grant for the Lunatic Asylum under construction at Kilpauk, and the Superintending Engineer will therefore restrict his expenditure upon that work as much as possible, unless he can find the required funds by deferring the execution of such other works as can be conveniently postponed.
