Office for the Deputy Collector and Magistrate of Wynad—Proceedings Revenue Department approving, with remarks, of the estimate for an Office for the Deputy Collector and Magistrate of Wynad as warranted by, and submitted to the Commissioned

*Proceedings of the Madras Government, Revenue Department,
15th January 1869.*

No. 227. Read the following Proceedings of the Board of Revenue, dated 9th December 1868, No 8,657.—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated on Circuit at Vytry, 10th November 1868, No 321.

1868, No 321.

Adverting to the Government Proceedings and correspondence noted, * I have

* G O, 6th January 1868, No 9 the honor to submit plan and estimate †

Collector to Government, 9th December 1867, for an Office for the Deputy Collector and

No 153 Magistrate of Wynaad at Manantoddy.

† Under separate cover by banghy

to Rupees 13 580 which, for the accommodation

2. The estimate amounts to Rupees 13,580, which, for the accommodation provided, does not seem excessive. It will be observed that the greater part of the walls are brick-in-clay, the corners, courses, round doors and windows, &c, only being brick-in-chunam. If the whole structure is to be brick-in-chunam, the estimate must be increased by some Rupees 3,600.

3 I am inclined to think that for all sheltered and cross walls brick-in-clay is quite sufficient, and would only substitute brick-in-chunam in the present estimate in the exposed walls at the back of the building which are of no great extent. The alteration will affect the total estimate but little.

4 The disposition of the building is very convenient, and the style is appropriate and pleasing. It is certainly a very great improvement on any public building now existing in Malabar.

5. I trust therefore the work may receive early sanction.

ENCLOSURE No 1.—Plan

ENCLOSURE No 2—Estimate

Submitted to Government, with the Board's recommendation that the plan and estimate, amounting to Rupees 13,580, be sanctioned

2 A new Office for the Deputy Collector at Manantoddy was pronounced necessary in Government Order, dated 6th January 1868, No. 9, and expenditure on the existing building prohibited. The proposed building appears well adapted for the purpose. The Deputy Collector will not need two rooms besides his Court room. One of those proposed in the plan to be assigned to him should be reserved as a Waiting-room for European and Native Gentlemen resorting to the office on business.

3. With reference to paragraphs 2 and 3 of the Collector's letter, the Board would leave it to be settled by the Superintending Engineer of the division as to what parts of the building shall be of brick-in-chunam, and what parts of brick-in-clay.
