THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT

SIR

ACCOUNT, No. 31

1 With reference to the Proceedings of the Government of India under date the 23rd December 1868, No 972, reviewing the Account of the operations of the Government Workshop at Chepauk for the year 1867-68, I am directed to forward herewith the accompanying letter from the Controller of Public Works Accounts in which that Officer furnishes explanations on the points noticed in paragraphs 4, 6, and 7

2. As the Superintendent of the Workshop has also charge of the General Stores belonging to the Department, his salary has hitherto been provided in Part IV. of the Budget, and, under the circumstances, it appears to His Excellency the Governor in Council that no more than a moiety of it can properly be debited to the Workshop. In offering suggestions for the introduction of an improved system of Accounts for the Workshop, Colonel Chesney, in a paper dated 5th December 1866, recommended that the Superintendent's salary should be equally charged to the two Departments, but, considering the difficulties with which the Workshop had to struggle, and that its successful working was in a great measure dependent on the moderation of its charges, the Government were opposed to burdening the institution with such a charge until it had been placed on a more independent footing. Should the Government of India, however, still think it absolutely necessary that the Workshop should bear a portion of the Superintendent's salary, His Excellency in Council will be prepared to issue instructions accordingly.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) CHARLES A. ORR, Colonel, R E,
Secretary to Government.
