Memorandum with reference to list of Estimates for Military Works called for in the Government orders quoted at head of List—

European Infantry.

Improvements to Barrack Latrines. Permission is requested to remove this entry from future lists as New Latrines were sanctioned vide G.O. No. 1230 of 14th April 1869.

Horse Artillery.

Verandah West of Harness Room. The old building having been condemned and new Harness rooms sanctioned vide G.O. No 2114 of 30th June 1869, permission is requested to remove this entry from future lists.

Improvements to Cook-rooms. New buildings are required. Permission therefore requested to remove this entry from future lists.

Garrison Battery.

In this office letter No 4,333 dated 17th March 1869, permission was given to estimate for only one Wash House. For reasons stated, this was requested, but no orders have yet been received.

Native Infantry Troops in general.

Agreeably to the recommendation (see Mr. Ellis' Report on Bellary para 136) the Sanitary Commissioner a plan for a Chabootra or bathing platform were sent in July 1868 to His Excellency the Commander-in-Chief, but were returned vide Quarter Master General's letter No 4104 dated 20th May 1868, as His Excellency considered that no money should be spent for such a work owing to the uncertainty of the water supply at Bellary. Requested, therefore to omit this entry from future lists.
