Proceedings of the Madras Government, Public Works Department, 6th October 1869.

No. 95. Read the following Endorsement of the Officiating Superintending Engineer, 8th Division, dated Palamcottah, 24th September 1869, No. 1,441:—

Read the following letter from Lieutenant F. S. SHEPHERD, R.E., Assistant Engineer, in charge of Streevigoontum Anicut project, to the Superintending Engineer, 8th Division, dated Poodugudy, 23rd September 1869, No. 194.

I HAVE the honour to request that an additional two lacs of Rupees may be placed at my disposal for the Streevigoontum Anicut project. The expenditure for the current month will probably exceed half a lac of Rupees. Nearly all the works are now in progress, and plenty of labour will be available up to the end of January next. Work has already been done to more than the value of the grant of Rupees 33,475.—(*Vide* G. O., No. 2,818, dated 27th August 1869.)

SUBMITTED to Government. Funds have been placed to Lieutenant Shepherd's credit in order that the works may not be suspended. But as this credit for the current month exceeds the assignment of funds by 20,000 Rupees, and there is a demand for Rupees 40,000 for next month, October, I beg that a further allotment of at least a lac of Rupees may be made. The Streevigoontum Anicut project being carried out from the funds extraordinary, and as I have been assured that money would not be wanting, I do not hesitate about carrying on the works with all vigour, and I trust that the second additional lac of Rupees will be granted for the year's expenditure, for which Lieutenant Shepherd makes application. In the meantime the excess over allotments is irregular, and I beg that sanction may be accorded to the proceeding.
