116-17

Dated 6 . 10 1869.

Not to be folded or roughly handled

No. 116. Read the following letter from the Deputy Commissary General, to the Secretary to Government, Public Works Department, dated Madras, 29th September 1869, No. 4,922 :—

I HAVE the honour, in the absence of the Commissary General, to forward a letter from the Executive Commissariat Officer, Madras, and would be obliged by your informing me whether the services of a competent Engineer could be allowed, in the same manner as Mr. Thomkinson's were granted, for the periodical inspection of the engine at the Bakery, until an Engineer can be permanently employed.

No. 5,241, dated 28th September 1869.

2. In the event of your being able to help us, I would further request that you will be so good as to direct the inspection of the machinery at as early a date as possible.

No. 117. ORDER THEREON, 6th October 1869, No. 3,231.

ESTABLISHMENT, No. 5.

THE services of Mr. Thomkinson can be made available, on the same terms as on a former occasion, for the occasional and periodical inspection of the steam machinery at the Bakery till an Engineer can be permanently employed.

2. The Superintending Engineer will direct Mr. Thomkinson to make as early an inspection of the machinery as possible.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Superintending Engineer, 4th Division.
