Colonel, R.E.,

Proceedings of the Madras Government, Telegraph Department, *27th September* 1869.

No. 7. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, Fort Saint George: dated Sunkerninarcovil, 4th September 1869, No. 1292.

I have the honour to submit, for sanction, a plan and estimate of Rupees 730 for building a new Cable-house at Paumben, prepared at the request of the Telegraph Department, and approved by the Deputy Director General of Telegraphs in India. It is proposed to remove the old Telegraph Bungalow at Paumben, and to build a new Cable-house instead, making use of the old materials pulled down. The Superintendent, Madras Division, also requests that the amount of estimate may be included in the Public Works Budget for 1870-71.

One plan.
One abstract estimate.
One specification report.

2. As this is a minor work not to be entered specifically in the schedule for original works, it may, I presume, be provided for in the lump sum for minor works in next year's budget.

Referred to the Public Department.
