WITH reference to Proceedings of the Madras Government, and G. O., No. 2,575, of the 5th August 1869, regarding the site of the new General Post Office, I have the honour to state that I visited the site with His Excellency Lord Napier, and His Lordship decided that the building should face south, and that the porch should be distant not less than 100 feet from the boundary wall of the General Hospital.

2. No additional ground will be required for the building, but the plans must be modified slightly. I return the plan forwarded with the G. O. alluded to, together with another sketch indicating the selected site.
