Colonel, R.E.,
Secretary to Government.

No. 168. Read the following letter from the President of the Negapatam Municipal Commission, to the Chief Secretary to Government, Fort Saint George; dated Vallam, 11th September 1869, No. 135.

I have the honour to report that a piece of land with the building thereon, measuring 932 square yards, and delineated in the accompanying sketch, is required for the Police Station-house in the Municipality of Negapatam. It is bounded on the north by the Sub-Magistrate's Cutcherry; on the south by the house of Tevaraya Chetty; on the east by the houses of Atry Sahib and Mahommed Gouse Maracoir; and on the west by the bazaar street.

2. The building in question has been occupied by the Police without any claim for rent for more than thirty years, and is the best that can be selected for the purpose. It belongs to the Koomaracoil Pagoda, the trustees of which have now made a claim for rent, which, however well-founded, the Municipal Commissioners consider should be saved, if possible, by buying the land outright. The Pagoda trustees will not sell the land, because they consider they are precluded from alienating any portion of the Pagoda land in their trust.

3. I have, therefore, the honour to request that you will be pleased to furnish me with a declaration, under Section 2 of Act VI. of 1857, to the effect that the land in question will be taken up, at the public expense, for a public purpose.

4. As directed in G. O., dated 16th June 1869, No. 816, I beg to submit a translation of the objections made by the Trustees of the Pagoda

From two Punchayetdars of Koomaracoil, Negapatam, to the Municipal Commissioners, Negapatam; dated Negapatam, 25th August 1869.

In reply to Yadast No. 29, dated 19th instant, we have to inform you that the building now occupied as a Police station was presented by one Theruvathal, of Negapatam, for the benefit of Koomaracoil. Our powers are confined simply to rent the building and appropriate the income towards the maintenance of the temple. We have no power to sell the property.

No. 169. ORDER THEREON, 28th September 1869, No. 1350.

Hinderances having been found to exist to the immediate acquisition of the lands and buildings, referred to in the annexed Declarations, by purchase from the parties interested therein, the Governor in Council resolves, under the provisions of Section 128 of Act No. XIV. of 1856, and Section 2 of Act No. VI. of 1857, to order that the said lands and buildings be taken possession of on the part of Government, and applied to the purpose for which they are needed, leaving claims for compensation for the lands and buildings to be determined as provided in the said last-mentioned Act, and, further, to appoint the Collector of Tanjore, in communication with the Executive Engineer of the Range, to carry this order into execution, and to execute any award, and to do all things necessary for completing the business of taking and paying for the said lands and buildings, and for settling all disputes concerning them.
