*Proceedings of the Madras Government, Public Works Department,
16th October 1869.*

No. 320. Read the following Endorsement of the Officiating Superintending Engineer, 8th Division, dated Madura, 30th September 1869, No. 1,501 :—

Read the following letter from the Officiating Collector of Madura, to the Officiating Superintending Engineer, 8th Division, dated Madura, 29th September 1869, No. 1,563.

I HAVE the honour to forward herewith an estimate, received from the Officer in charge of the 1st Range, for placing stone posts at the ford of the Vigai river, between Toveriman and Samianellore; and to request you to submit the same for the sanction of Government, pointing out the particular budget provision from which the expenditure may conveniently be met. I think this work is necessary, for there are a great number of persons annually drowned in attempting to cross the Vigai, and this ford is on the high road from Dindigul to Madura, and it is more used than any other.

SUBMITTED to Government, with estimate of Rupees 550 for placing guide stones at the crossing of the Vigai river on Imperial Road No. XIII.
One Abstract Estimate.

2. There being funds available under Minor New Works "Communications" from the allotment of Rupees 1,000 for the Madura District, I request sanction for the execution of the work.

(Signed) H. L. PRENDERGAST, Captain, R.E.,
Offg. Superintending Engineer, 8th Division.

No. 321. ORDER THEREON, 16th October 1869, No. 3,337.

CIVIL WORKS, No. 43.

THE estimate of Rupees 550 is sanctioned, funds being provided from the source indicated by the Superintending Engineer.

(True Extract.)

Captain, R.E.,
Acting Under-Secretary to Government.

To the Superintending Engineer, 8th Division.
