*Proceedings of the Madras Government, Public Works Department,
18th October 1869.*

No. 355. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Trevandrum, 23rd September 1869, No. 102 :—

With reference to G. O., No. 3,015, of 13th September, I have the honour to inform you that Major Stewart's letter of 26th July was received and communicated by me to the Calicut Range Officer on the 29th idem, for immediate action and early report.

2. Lieutenant Cumming, R.E., the Executive Engineer in charge of Calicut Range, proceeded to the spot immediately on receipt of my orders. On the 19th August he reported that work was proceeding emergently, and on the 7th September he reported that the roadway had been reclaimed by piling, and that a couple of rough-stone groynes were in progress to counteract any future encroachment of the sea.

3. The road being District Road No. 48, Beypore, *via* Betutpoodiengady to Tirtalla, an emergent estimate of Rupees 960 has been sent to the Collector for provision of funds. There is little or no cart traffic on the line.

4. It does not appear from the letter of the Consulting Engineer for Railways on what date he was at Beypore, or whether his stay there was long enough to enable him to make adequate inquiries as to the action of this department in the matter.

No. 356. ORDER THEREON, 18th October 1869, No. 3,354.
