Proceedings of the Madras Government, Ecclesiastical Department.
21st January 1869.

No. 13. Read the following letter from the Venerable the Archdeacon of Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 5th January 1869, No. 511.

I have the honor to forward an estimate for furniture for the new Military Church and School-room at Bellary, reduced in compliance with the requisition of Government from Rupees 5950 to Rupees 4420.

2. I trust the estimate, in its present form, may meet the approval of the Right Honorable the Governor in Council.

From the Officer in charge, Bellary Range, No. 1., to the Superintending Engineer, 3rd Division; dated Bellary, 18th December 1868, No. 91.

Encloses letter in Ecclesiastical Department, No. 214, from the Chief Secretary to the Right Reverend the Bishop of Madras, forwarded to the undersigned by the Chaplain of Bellary.

2. In compliance with the Chief Secretary's instructions, and to save time, the estimate has been reduced from 5950 Rupees to 4420.

3. This has been effected by deducting an item of Rupees 900 for kneeling stools, the substitution of ordinary globe lamps and wall-shades for argand lights, and reducing the item of sundries to five per cent. Ten per cent. was charged to meet the cost of carriage and shipment of English lamps.

4. In compliance with instructions conveyed in G. O., No. 531, dated 25th February last, all the principal wood-work, forms, benches, reading-desk, and nearly all the punkahs have been completed; so a fresh specification and set of plans are not forwarded, the remaining items of globe lamps, &c., requiring no specification.

Executive Engineer.
