Proceedings of the Madras Government, Public Works Department, 19th October 1869.

No. 380. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 6th October 1869, No. 765 :—

I HAVE the honour to request that you will be good enough to inform me whether the standard plan for stables, adverted to in para. 6 of G. O., No. 3,780, dated 3rd December 1868, is that which accompanied G. O., No. 648, dated 8th March 1865. I inquire because I observe that the standard plan for Hospital Stables has an outer verandah of five feet, which is not provided in the standard plan for stables, and without which the horses would be exposed to the inclemency of the weather, as the stables are only fourteen feet long between pillars.

G. O., No. 3,686, of 18th December 1866.

No. 381. ORDER THEREON, 19th October 1869, No. 3,366.

MILITARY WORKS, No. 13.

THE Superintending Engineer of the 6th Division will be informed that the standard plan of stables referred to in para. 6 of G. O., No. 3,780, dated 3rd December 1868, was that circulated with Proceedings, No. 648, dated 8th March 1865.

Jamjore 6th October 1869

From

Captain R. F. Parker R.E.
Sappers & Miners 6th Division

To

Colonel C. H. Orr R.E.
Secretary to Government
Public Works Department

Sir

I have the honor to request that you will be good enough to inform me whether the Standard Plan for Stables received in your G.O. No. 3780 dated 3rd December 1868 is that which accompanies G.O. No. 618 dated 8th March 1865. I enquire because I observe that the Standard Plan for Hospital Stables has an extra Verandah of 5' which is not provided in the Standard Plan for Stables and without which the Horses would be exposed to the inclemency of the Weather as the Stables are only 14' long between Pillars.

I have the honor to be
Sir
Your Most Obedt Servant
