*Proceedings of the Madras Government, Revenue Department,
12th October 1869.*

No. 148. Read the following Proceedings of the Board of Revenue, dated 7th September 1869, No. 6,702 :—

Read the following letter from J. D. ROBINSON, Esq., Collector of North Arcot, to the Acting Secretary to the Board of Revenue, dated Chittoor, 6th August 1869, No. 235.

ADVERTING to the Board's Proceedings, No. 4,233, dated 14th June last, I have the honour to submit a revised District Road Fund Budget for the current year, with three explanatory Statements marked A., B., and C.

2. Statement A. shows in detail the estimated assets from all sources, making up an income for the official year 1868-69, which amounts to Rupees 1,06,500.

3. Statement B. shows the items of work towards which private contributions have been made, the amounts so subscribed, the Grant-in-aid allotments from Local Funds, the expenditure during 1868-69, and balances available for outlay in 1869-70.

4. Statement C. gives the particulars of Minor Works below 250 Rupees, which were wholly omitted in the original sanctioned Budget, but have been provided for in the revised Budget herewith submitted. The sum of Rupees 1,905 allotted to this class of works, is entered under the head to which it properly, pertains, namely, "Repairs."

5. The revised Budget which I now submit has been recast and prepared in consultation with the Acting Superintending Engineer, as directed by the Board. The estimated assets of the fund have been computed on much more certain data than were available when the original sanctioned Budget was framed, and may be accepted with the fullest confidence.

6. Under head "Original Works," I have, with the acquiescence of the Superintending Engineer, struck out four items in the original Budget, and provided for two which are not in it, under that head. Under head "Repairs" seven items have either been wholly struck out or their allotments reduced, and two works entered which do not find place in the first Budget.

7. If the Board will be pleased to refer to the remarks entered in the Budget now submitted, they will, I feel sure, readily acknowledge the propriety of the re-distribution of funds therein made.

8. A sum of Rupees 7,148, has been set apart for works under head "Miscellaneous Public Improvements." The particular works provided for under this head are described in Statement B., which accompanies this, and if the pledges attaching to such transactions are to be respected, they are entitled to equivalent allotments from Local Funds.

9. Under head "Miscellaneous Charges," a reduction of Rupees 3,156 has been made, and a sum of Rupees 270 retained.

10. From the memorandum entered at the foot of the revised Budget, the Board will find that there is a total reduction of Rupees 23,936 on the original sanctioned Budget allotment, namely, Rupees 1,14,590. If from this be further deducted the Rupees 13,423, now allotted by me for works which do not find place

*Proceedings of the Madras Government, Revenue Department,

in the original Budget, the amount set down for expenditure will be Rupees 1,01,077, leaving an unappropriated balance of Rupees 2,423 on the estimated income of Rupees 1,06,500, shown in Statement A.

11. In submitting, with these explanations, the Budget thus carefully recast, I beg respectfully to request that the Board will be pleased to obtain for it the early sanction of Government, in view to the work being taken up and carried out before the close of the official year.

12. A copy of this Budget has been furnished to the Superintending Engineer for information.

ENCLOSURE No. 4.—Revised District Road Fund Budget.

With the foregoing letter the Collector submits his revised Budget of the District Road Fund for 1869-70, or rather a Statement showing the particulars of the revision, with three explanatory Statements marked A., B., and C.

2. In his original Budget the receipts of the year were estimated at Rupees 1,15,200. They are now estimated at Rupees 1,06,500, as particularised in Statement A., and this sum may be looked upon as the available assets for the year.

3. The revision consists in the omission of four works from Part I. of the

Item No. 96. Constructing a bridge across the supply channel of the Mahendravady river	6,200	Original Budget, with an aggregate allotment of Rupees 14,100, and in the addition of two new works not provided for in the Budget, with a total allotment of Rupees 2,000. From Part II. of the Original Budget, two repair-works, with an allotment of Rupees 650, have been omitted. The allotments for five other works have been reduced from Rupees 14,980 to Rupees 8,950. Two fresh items which do not find place in the Budget, have been added. The Collector also allots a sum of Rupees 7,148 for six works under "Miscellaneous Public Improvements," for which no provision was made in the Original Budget. The first five of these works which are for sanitary improvements in certain important towns of the district, are shown in Part I. of the Budget. The sixth work is struck out as it should be executed from the Endowment Fund of the district.

4. As the Statement submitted by the Collector is not in the usual Budget form, and as it does not contain such works in the Original Budget as have been retained by him without alteration, the Board have caused Parts I. and II. of the Budget to be prepared afresh in their Office. The following is an abstract:—

This sum deducted from the available assets of Rupees 1,06,500, leaves a surplus balance of Rupees 3,930.

5. The Board request that the early sanction of Government may be accorded to the proposed expenditure of Rupees 1,02,570 in supersession of the expenditure of Rupees 1,14,500, provided for in the Original Budget.

No. 149. ORDER THEREON, 12th October 1869, No. 2,774.

Account.

Sanction is accordingly granted for the expenditure of Rupees 1,02,570 according to the revised Budgets now submitted.

2. The Government observe that the Revenue Department is to be completely relieved from superintending any portion of the repairs, the entire amount of Rupees 68,590 being allotted for the Public Works Department.
