PUBLIC WORKS DEPARTMENT,
FORT ST. GEORGE, 20th October 1869.

No. 406.

No. 3,379.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

RAILWAY, No. 57.

SIR,—With reference to paras. 2 and 3 of your letter of the 16th July 1869, No. 939 R., I am directed here-
with to forward a letter from the Consulting Engineer for Railways, which gives cover to a list of the whole Executive staff employed on the Indian Tramway Company's line between Arconum and Conjeeveram. It will be observed that Major Shaw Stewart does not consider the present scale of establishment to be susceptible of any diminution, and that he urges objections against any reduction of the number of trains running daily each way; but is of opinion that it may perhaps be advisable to run the present number of trains on four days only in the week, festivals and other special occasions being dealt with exceptionally. As this arrangement will reduce the train mileage, I am to recommend its adoption.

2. The Secretary of State will be addressed on the subject of the local agency by which the affairs of the Company are managed, with a view to his moving the Board of Directors to adopt a more efficient arrangement as suggested by the Consulting Engineer.

I have the honour to be,
Sir,
Your most obedient servant,

Captain, R. E.,
Acting Under Secretary to Government.
