*Proceedings of the Madras Government, Public Works Department,
2nd February 1869.*

No. 78. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Mulliyala, Cuddapah, 14th January 1869, No. 3,608 :—

I have the honour to submit, for the sanction of Government, the accompanying plan, &c., for repairing the existing tunnel, and adding two vents to a culvert in the 34th mile of the road from Bellary to Dharwar, where the water-way has been found insufficient. The amount (Rupees 770) can be met from the grant "Minor New Works, Communications," in the Bellary District. As the work is very necessary, I have given orders to carry it out in anticipation of sanction.
