Proceedings of the Madras Government, Educational Department, 15th October 1869.

No. 24. Read the following letter from Colonel M. T. FFRENCH, Secretary to the Roman-Catholic Asylum, Bellary, to the Chief Secretary to Government, Fort Saint George, dated Bellary, 22nd September 1869.

I have the honour to inform you that the Committee of the Roman-Catholic Asylum at Bellary have engaged a very intelligent Carpenter and a Smith, who is also a Coach-builder by trade, to instruct the boys in those trades.

2. The only obstacle to success in the undertaking is the absence of a large capital to purchase sufficient materials to meet the numerous orders for work that are being received.

3. I, therefore, most respectfully request you will obtain the sanction of His Excellency the Governor in Council to allow the Ordnance, the Commissariat, and the Public-Works Departments to issue, on emergent indent, at prime cost, such articles as may be required, and particularly such as may not be easily obtainable at Bellary.

No. 25. ORDER THEREON, 15th October 1869, No. 324.

Resolved that copies of the foregoing letter be forwarded to the Military and Public-Works Departments, with a view to instructions being issued in those Departments to the Ordnance and Commissariat Officers, and the Executive Engineer at Bellary to comply with the emergent indents of the Secretary to the Roman-Catholic Asylum at that station, for articles required for the Asylum on payment, if such articles can be spared.
