Proceedings of the Madras Government, Public Works Department,
23rd October 1869.

No. 498. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Camp at Palcode, 14th October 1869, No. 127 :—

(Through the Controller of Public Works Accounts.)

THE entertainment of three lascars at 7 rupees each per month under Mr. Blacker, Sub-Engineer on special duty in Salem, was sanctioned in G. O., No. 935, of the 23rd of March 1868; but, by an oversight, these lascars were not included in my statement of the temporary establishments required during the current official year, and consequently omitted by the Controller in his statement, sanctioned in G. O., No. 1,442, of 3rd May 1869.

2. Mr. Blacker being employed in the investigation of certain irrigation projects in the Tripatore and Kistnagherry talooks, the services of the lascars are absolutely necessary; but the Controller of Public Works Accounts has declined to pass their pay in the absence of special sanction for their continuous employment.

3. I have now, therefore, the honour to request that the Government will be pleased to sanction the continuous employment of the three lascars during the current official year.

No. 499. ORDER THEREON, 23rd October 1869, No. 3,427.
