To

THE SECRETARY TO THE GOVERNMENT OF BOMBAY,
PUBLIC WORKS DEPARTMENT.

RAILWAY, No. 67.

SIR,—I am directed herewith to forward an extract from a letter from the Deputy Consulting Engineer for Railways regarding the progress made with the works on the extension of the North-west Railway to Raichore. As the Madras Railway Company hope to complete their line to that station by the middle of 1871, I am to request that, looking to the great importance which both the Home Government and the Government of India as well as the Directors of the Great Indian Peninsula Railway Company attach to the early establishment of through communication, you will urge upon that Company the necessity of their taking steps for the vigorous prosecution of the works on their Railway to ensure the completion of those works by as early a date as that on which the Madras Railway expect to be able to open their line to Raichore.

I have the honour to be,
Sir,
Your most obedient servant,

Captain, R.E.,
Acting Under Secretary to Government.
