Proceedings of the Madras Government, Public Works Department,
23rd October 1869.

No. 503. Read the following letter from the Deputy Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 1st October 1869, No. 320 :—

DURING my recent inspection of the construction works of the North-West Line, I learnt from the Engineer of District XX., that no steps had been taken by the authorities of the Great Indian Peninsula Railway Company towards building the station at Raichore.

2. The ground has not been marked out, and the Madras Railway Engineer is unable to go on with his portion of the work, or even to cart material to the spot. I have therefore the honour to recommend that the Government of Bombay be requested to call upon the Agent of the Great Indian Peninsula Railway at least to mark out the station ground, as any further delay will cause great inconvenience to the Madras Railway Company.

No. 504. ORDER THEREON, 23rd October 1869, No. 3,430.

RAILWAY, No. 68.

ORDERED that the Bombay Government be addressed on the subject of this letter :—

SIR,—In continuation of my letter, No. 3,429, dated 23rd Instant, I am directed herewith to forward a letter from the Deputy Consulting Engineer for Railways, in which that Officer brings to notice that the Great Indian Peninsula Railway Company have as yet taken no steps for even marking out the station ground at the Raichore Junction, and that any further delay must necessarily interfere with the arrangements of the Madras Railway Company for opening their line to that station.

I have the honour to be,
Sir,
Your most obedient servant,
