No. 539. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 6th October 1869, No. 151 B.:—

I HAVE the honour to forward, for the sanction of Government, the accompanying plan, report, and estimate amounting to Rupees 4,500, for constructing a wash-house on the standard design for a Company of European Infantry, as approved of in G. O., No. 2,889, dated 3rd September 1869, for the Garrison Battery at Bellary.

1 Plan.
1 Report.
1 Estimate.

2. This work is entered as Item No. 11 in the current year's Budget.

3. As Government have approved of the plan, and there is a sum entered in the Budget, I have authorized the commencement of the work as the wash-house is much required, and trust my orders will meet with the approval of Government.

No. 540. ORDER THEREON, 26th October 1869, No. 3,449.

MILITARY WORKS, No. 17.

THE Government approve of the estimate of Rupees 4,500 submitted with this letter.

2. The Superintending Engineer will observe from G. O., No. 3,142, dated 29th September 1869, that the sum of Rupees 6,000 provided for the wash-house in question has been surrendered to the Government of India. As the simple provision of funds in the Budget constitutes no authority for the commencement of a work before the estimate is sanctioned in this department, the proceeding reported in paragraph 3 was irregular, and the Government will look to the Superintending Engineer to adjust the unauthorized outlay.
