Proceedings of the Madras Government, Public Works Department,
27*th October* 1869.

No. 555. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 30th September 1869, No. 2,474:—

1 letter dated 10th September 1869.

In forwarding the accompanying original letter from Corporal McAliese, a Talook Overseer in the No. 4 Range of the Godavery District, bringing to notice that, for the period he was employed on Local Fund Works in the department, he did not receive his Military pay, I have the honour to observe that, although in G. O., of the 27th August 1868, No. 2,752, it is stated that the salary of Rupees 60 per mensem to Overseers on Local Fund Establishments was fixed without reference to the class from which those Overseers might be obtained, and no provision was made for the Military pay of such Non-Commissioned Officers and Soldiers as might be induced to accept the employment, I consider it a great hardship that Corporal McAliese should have been deprived of that, which, as a matter of right, he is entitled to, especially as I am of opinion that, had the passed Military Students of the Civil Engineering College been made aware of the conditions under which they were to be entertained in the department, they would not have accepted of the post of Local Fund Overseer.

2. I believe I am right in stating that this man could not be tried by a Court Martial, as he has not been paid the money due to him on the conditions for which he enlisted.

No. 556. Order thereon, 27th October 1869, No. 3,457.

ESTABLISHMENT, No. 47.

As Corporal McAliese seems fairly entitled to Military pay for the period during which he was employed as a Local Fund Overseer, His Excellency the Governor in Council directs that it be passed to him, the charge being met from the Imperial grant for Establishments.
