Colonel, R.E.,
Secretary to Government.

Proceedings of the Madras Government, Judicial Department,
19th October 1869.

Read the following papers :—

No. 86. From the Collector of Salem, to the Subsidiary Jail Committee, Madras, dated Salem, 13th September 1869.

I enclose you a copy of a letter I have received from my Acting Sub-Collector in which he brings to notice what he considers an objection in the building now being carried on for the Subsidiary Jail at Denkenicottah. It appears that the windows are being built one-and-a-quarter feet from the ground, and the Acting Sub-Collector is of opinion that an aperture so low is objectionable, more especially as the window looks into the street and facilitates communication with those outside. I hardly think that the position of the window need be changed. But a wire grating might be affixed outside. This I fancy is all that is required. But I forward the matter on to you, with a view to your giving such orders as you think fit.

No. 87. From the Collector of Salem, to the Under Secretary to Government, Fort Saint George, dated Sunkery Droog, 29th September 1869, No. 39.

With reference to your Official Memorandum, No. 411, dated 22nd instant, I beg to forward the plan of the jail at Denkenicottah, referred to in the Acting Joint Magistrate's letter, dated the 20th ultimo, No. 125.

No. 88. ORDER THEREON, 19th October 1869, No. 1071.

The Governor in Council directs that the foregoing letters and the plan therein referred to be forwarded to the Public Works Department, in view to instructions being issued to the Executive Engineer to so arrange the windows in the rooms of the Subsidiary Jail at Denkenicottah as to prevent the inmates from holding any communication whatever with persons using the lane at the back of the Subsidiary Jail.

2. The Government are of opinion that there ought not to be a door of communication between the "Police Room" and the room shown to have been assigned to the Goomastahs of the Sub-Magistrate, and desire that it be closed.
