Proceedings of the Madras Government, Public Works Department,
29th October 1869.

No. 600. Read the following Proceedings of the Board of Revenue, dated 16th October 1869, No. 7,710 :—

Read the following letter from the Collector of Cuddapah, to the Acting Secretary to the Board of Revenue, dated 21st September 1869, No. 164 :—

ADVERTING to the Board's Official Memorandum, dated 10th instant, No. 955, requesting me to furnish in the form of a statement the information regarding the total mileage of Imperial roads in this district, with further detailed particulars as called for in paragraph 11 of Government Order, dated 11th November 1868, No. 2,831, I have the honour to subjoin the numbers of my Imperial roads and their mileage :—

	Miles.	Furlongs.
No. VII...	30	6
,, XVII...	108	0
,, XVIII...	88	4

2. These all belong to class I., and there are no roads under classes II. and III.

3. As the above three roads do not find an appropriate place under any of the four headings given in paragraph 11 of the Government Order—namely, "maintained in good order," "new roads completed," "still under construction," "not yet commenced upon," I am unable to submit the required statement whereof those should be the headings.

4. I would describe my roads as having been opened out for traffic throughout, but only partially constructed, and as having been fairly maintained in relation and proportion to their varying degrees of construction.

5. Many masonry works are required, and in some places the original construction was so faulty that a process of reconstruction out of maintenance is in progress.

6. I have not the means to describe the state of each mile of all these roads.

SUBMITTED to Government in continuation of Board's Proceedings dated 20th September 1869, No. 6,995.

No. 601. ORDER THEREON, 29th October 1869, No. 3,479.
