No. 1. Read the following Proceedings of the Board of Revenue, dated 30th September 1869, No. 7,272:—

Read the following letter from the Officiating Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 14th September 1869, No. 250.

WITH reference to the Board's Proceedings, dated 9th instant, on Government Order, dated 2nd idem, No. 2,477, I have the honour to state that, as the proceeds of the tolls on Peria, Tamberacheri, and Karkur Ghauts are to be credited to District Road Fund, the cost of erecting the toll-gates should, I think, be provided for from that Fund.

2. A sum of Rupees 2,324 was shown in this office letter No. X., dated the 2nd August last, as District Road Fund balance available for appropriation during 1869-70. Adding to it Rupees 640, being the surplus allotment for the Vollipoya bridge referred to in my letter, dated 3rd instant, No. 233, the amount available is Rupees 2,964. Of this sum Rupees 1,844 has been subsequently allotted as noted in the margin, and there remains a balance of Rupees 1,120 at the credit of the Fund.

	Rs.
Pay of Local Fund Clerk, sanctioned in Board's Proceedings, dated 23rd February 1869, No. 1,208	600
Price of boat, sanctioned in Board's Proceedings, dated 17th August 1869, No. 6,132	500
Travelling allowance, etc., to the Local Fund Maistries, sanctioned in Board's Proceedings, dated 10th August 1869, No. 5,870	744
Total ...	1,844

3. The three toll-gates are estimated to cost Rupees 2,520, and as, therefore, we have not sufficient funds at present available, I beg to suggest that our balance of Rupees 1,120 be supplemented by a loan from Imperial funds.

4. If the toll-gates are erected at once, the receipts up to the close of the year will, I believe, more than repay the amount borrowed.

SUBMITTED for the orders of Government.

2. It appears from the books in this office that the balance of Rupees 1,120 does not now exist, and the full amount of the cost of the toll-gates must be provided from other sources than the Road Fund.

3. As there can be no doubt that if the toll-houses are built at once the loan will be repaid before the end of the official year, the Board recommend that it be granted from Imperial funds.
