No. 30. Read the following Proceedings of the Madras Government in the Judicial Department, dated 6th October 1869, No. 1,611.

Read the following papers:—

From the Inspector General of the Indian Medical Department, to the Chief Secretary to Government, Fort Saint George, dated Fort Saint George, 10th September 1869, No. 349.

I HAVE the honour to submit, herewith, an appeal by the Apothecary in charge of the Police Station of Nursipatam, for the employed allowance authorized by G. O. G. G. No. 931 of 1868. As Mr. Jordan appears to have a regular Dispensary, and is in sole independent charge of a considerable number of public servants, I have the honour to recommend that the allowance may be granted him.

2. As it would appear, also, that Medical Subordinates employed with Survey parties in Bengal are entitled to free quarters, or house-rent when not furnished with quarters, I would venture to recommend that Medical Subordinates of this Presidency, in charge of Isolated Stations in malarious districts, may be put on the same footing, in regard to quarters, as Medical Subordinates with Survey parties.

3. The great risk to health by service in the malarious Police Stations in the Northern District renders it necessary that some exceptional provision should be made for the Medical Subordinates appointed to the duties.

4. As it is, they are constantly falling sick, owing to the deficiency of provision of proper quarters, and the cost to Government of replacing men who fall ill, is very considerable.

Memorandum from the Officiating Accountant-General, to the Chief Secretary to Government, dated Fort Saint George, 17th October 1869, No. 183.

THE undersigned has the honour to report that the "staff" or "employed" allowance of Rupees 30 per mensem, claimed by Apothecary Jordan under G. O. G. G., No. 931, dated 2nd October 1868, was disallowed by this office, in consequence of Nursipatam not being included in the list of Civil Establishments furnished by the Inspector General of the Indian Medical Department in his letter, No. 4,076, dated 7th November 1868, and to which the staff allowance alluded to is admissible; but as the Inspector General of the Indian Medical Department now recommends the disbursement of the allowance for Nursipatam also, there is no further objection to the charge being passed.

2. The house-rent claimed by Apothecary Jordan is admissible to Medical Subordinates when not supplied with free quarters under G. O., No. 298, dated 21st January 1869, Military Department, and is payable by the Public Works Department.

(Signed) R. W. LODWICK,
Officiating Accountant-General.

THE Governor in Council resolves to sanction the disbursement to First Class Assistant-Apothecary Jordan, stationed at Nursipatam in the District of Vizagapatam, of the "employed allowance" of Rupees 30 per mensem, allowed to senior medical warrant grades in charge of a Dispensary, &c., under G. O. G. G., dated the 2nd October 1868, No. 931.

2. Paragraph 2 of the letter from the Inspector General of the Indian Medical Department, and of the report from the Accountant General regarding house-rent, will be referred to the Public Works Department for consideration.

FORT ST GEORGE,

No. 31. Endorsement of the Controller of Public Works Accounts, dated Madras, 12th October 1869, No. 1,355.

UNDER the orders of the Government of India recorded in Public Works Proceedings of the 20th February 1869, No. 568, Medical Subordinates employed on Regimental duty, with British Troops Regimentally, with Station Hospitals, with Depôts, Sanitaria and Medical Store Depôts, as also with the Indian Marine and Telegraph Departments, are entitled to compensation for house-rent when not in occupation of public quarters. This ruling was extended to Medical Subordinates employed with Survey Establishments in the orders of the Government of India marginally noted.

Circular No. 29, dated 19th April, recorded in Public Works Proceedings of the 19th May 1869, No. 1,655.

2. As there is no order under which compensation for house-rent can be passed, *as a charge against the Public Works Department*, to Medical Subordinates in charge of Police Stations, or of Isolated Stations in malarious districts, special sanction appears necessary to the proposal made by the Inspector General of the Indian Medical Department, and I accordingly venture to suggest that the matters be referred for the decision of the Government of India.
