Proceedings of the Madras Government, Public Works Department, 2nd November 1869.

No. 36. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coonoor, 13th October 1869, No. 112:—

I HAVE the honour to submit, herewith, a comparative statement showing cause for an excess of Rupees 480 over the estimate of Rupees 7,200, sanctioned in G. O., No. 3,716, of 29th November 1867, for construction of a Chuttrum at Erode. The work has been frequently inspected by me, and I am well aware of the truth of the alleged reasons for excess, viz., increased height of basements owing to inequality of ground and deficiency of original scantlings of the roof timbers. The work is already completed, and Rupees 482 have to be provided in the current year; which sum I propose to supply by transfer from under the head of "Minor New Works," "Civil Buildings," Coimbatore District.

1 Comparative Statement.

No. 37. ORDER THEREON, 2nd November 1869, No. 3,504.

CIVIL WORKS, No. 4.

THE excess outlay of Rupees 480 is passed, but greater care should be taken in future in the preparation of estimates.
