No. 44. Read the following endorsement of the Acting Deputy Consulting Engineer for Railways, dated Madras, 20th October 1869, No. 339 :—

Read the following letter from the Agent and Manager of the Madras Railway Company, to the Consulting Engineer for Railways, dated Madras, 19th October 1869, No. 590.

ADVERTING to the correspondence as noted in the margin, I have the honour to solicit your attention to the accompanying copy of a letter from Captain Yeldham, arising out of Colonel Hackett's communication of the 13th instant, No. 1,626, and to my reply of the 18th instant, No. 2,578, from which you will perceive that on behalf of this Company I have consented to issue return tickets (1st and 2nd Class) at single day fares to Officers and Soldiers proceeding from any of the Military stations upon our lines of railway to Madras to attend the "Soldiers' Industrial Exhibition."

2. I trust that the Government will approve the concessions which I have considered it advisable to make in furtherance of the objects of the "Soldiers' Industrial Exhibition," and with a view to popularize the workshop movement in the Army.

3. The accompanying form of certificate to be signed by Officers Commanding Corps or Depôts was arranged between Captain Yeldham and myself this morning.

FORWARDED for the approval of Government.

2. The very liberal concession made by the Agent and Manager of the Madras Railway Company will doubtless tend in a great measure to ensure the success of the Soldier's Exhibition.
