114-115

Dated 3 — 2. 1869.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 3rd February 1869.

No. 114. Read the following Endorsement of the Chief Engineer for Irrigation, dated Fort St. George, 14th January 1869, No. 185 :—

Read the following letter from the Superintending Engineer, 1st Division, to the Chief Engineer for Irrigation, dated Dowlaishweram, 6th January 1869, No. 185.

1 Estimate.

1. I have the honour to submit, for sanction, the accompanying estimate for widening the Channel Dredge No. III, amounting to Rupees 735.

2. This dredge is one of the eight-foot beam dredges, which are used in the locks and lock channels, its hull is in need of thorough repair, which, according to Mr. Sage's estimate, will cost only twenty per cent. less than the widening and repairing.

RECOMMENDED for sanction. The dredges in the Godavery District are not included in the plant of the Dowlaishweram Workshop, and any expenditure incurred upon them is a charge on the Delta works, and has to be defrayed from the "Agricultural" allotment to the district.

(Signed) J. C. ANDERSON, Colonel, R. E.,
Chief Engineer for Irrigation.

No. 115. ORDER THEREON, 3rd February 1869, No. 356.

IRRIGATION, No. 3.

Sanctioned, funds being provided in the manner proposed by the Chief Engineer for Irrigation.
