Proceedings of the Madras Government, Public Works Department, 9th November 1869.

No. 205. Read the following letter from the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 21st October 1869, No. 2,668:—

With reference to G. O., No. 2,726, dated 19th August 1869, I have the honour to report that the cost of the punts, sanctioned in G. O., No. 2,429, dated 29th July 1869, cannot be met from the allowances for canals under "Repairs, Agricultural," as the grant has since been greatly reduced—See G. O., No. 3,247, dated 8th October 1869.

2. The reduced allotment, viz., Rupees 1,40,000 is hardly sufficient to meet the current year's requirements of the Godavery District in the Delta alone.

No. 206. Order thereon, 9th November 1869, No. 3,594.

ACCOUNT, No. 23.

As the Superintending Engineer of the 1st Division is unable to provide the requisite funds, the construction of the punts in question must be deferred.
