*Proceedings of the Madras Government, Marine Department,
29th October 1869.*

No. 33. Read the following letter from the Acting Master Attendant, Madras, to the Acting Secretary to Government, Fort Saint George, dated Madras, 15th October 1869, No. 5830.

Administrative Department.]

I have the honour to state that the Madras Light-house is found to be in want of certain emergent repairs, to execute which the Superintending Engineer, 4th Division, has submitted an estimate amounting to Rupees 280.

2. There is a sum of Rupees 3000, debitable to the General Port Fund, provided for in the Marine Budget of the current year, for the contingencies of the Madras Light, and computing the actuals up to date with the probable ordinary expenses till the end of the year, it leaves a balance of Rupees 780. I have to solicit, therefore, that a Treasury Order be granted for the aforesaid sum of Rupees 280, to enable the Public Works Department to execute the repairs in question.

No. 39.

ORDER THEREON, 29th October 1869, No. 277.

The Accountant-General will place the sum of Rupees 280, from the source proposed, at the disposal of the Public Works Department, for the repair of the Madras Light-house.
