*Proceedings of the Madras Government, Public Works Department,
8th February 1869.*

No. 217. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Camp at Trinamalay, 28th January 1869, No. 190 :—

1. I have the honour to request the sanction of Government for a transfer of Rupees 129-7-0, from the grant for special repairs to roads in the Salem District, to pay for gravel brought to the road from Mullapaudy to Tripatore.

2. This was made a Local Fund road in April last, and notice of its intended transfer from the Imperial list, was sent to the Range Officer. All claims should, therefore, have been settled out of the maintenance grant of 1867-68, but the Overseer neglected to forward this bill till the accounts for that year had been closed. I have ascertained that the gravel was actually brought to the road.
