*Proceedings of the Madras Government, Public Works Department,
8th February 1869.*

N.o 219. Read the following letter from R. F. Chisholm Esq. C. E., Architect,
to the Secretary to Government, Public Works Department, dated Madras,
29th January 1869, No. 292 :—

1. I have the honour to bring to your notice that Government, in Order
No. 3,763, dated 4th December 1867, gave me permission to entertain the establish-
ment noted on the margin for the prepara-
tion of the working drawings of the
Lawrence Asylum.
3 Draughtsmen at Rupees 120 per mensem.

I found it impossible to employ the establishment I applied for, as I could not
get men out of employ capable of executing the particular work I wished done; I
had consequently to give the work out to be done, after agreeing on a fair amount
of remuneration. The man who executed the work was employed twenty-one days,
taking out the quantities of the standard designs for Cutcherries, and one month and
twenty-one days taking out the quantities of the detailed drawings of the Lawrence
Asylum, Ootacamund; total two months and twelve days, which at Rupees 75 per
mensem makes a sum due to him of Rupees 180. I assumed there could be no difficulty
in charging the sum, as the actual establishment I have employed is less than that sanc-
tioned by the Government by Rupees 1,290 up to the present time; but on applying to
the Controller, I find that the wording of the Order will preclude him from passing
any sum, unless I can word the account exactly similar to the Order. I should feel
greatly obliged, therefore, if you would solicit Government to sanction the payment
of the sum of Rupees 180 on account of the works for which it was expended.

Sir

I have the honor to bring to your notice that Government in Order No. 3763 dated 15th December 1867 gave me permission to entertain the Establishment noted on the margin for the preparation of the working drawings of the Lawrence Asylum.

3 Draughtsmen
at Rs 120- per
month

I found it impossible to employ the Establishment. I applied for and could not get men out of employ capable of executing the particular work I wished done. I had consequently to give the work out to be done after agreeing on a fair amount of remuneration. The man who executed the work was employed 21 days taking out the quantities of the Standard designs for Cutcherries and one month and 21 days taking out

the quantities of the stained drawings of the
Lawrence Asylum, Ootacamund, &c. &c.

Two months and twelve days which
at 75/- per mensem makes a sum due
to him of Rupees 180-0-0. It assumed
there could be no difficulty in charging
the sum as the actual Establishment
I have employed is less than that
sanctioned by the Government by R.O.
1290-0-0 up to the present time but on
applying to the Controller I find that
the wording of the Order will preclude
him from passing any sum unless I
can word the account exactly similar
to the Order. I am, I feel greatly
obliged therefore if you would solicit
Government to sanction the payment
of the sum of Rupees 180-0-0 on account
of the works for which it was expended.
