No. 428.

No. 262.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

Sir,

ESTABLISHMENT, No. 42.

1. In acknowledging the receipt of your telegram of the 24th instant, I am directed to state that although no experienced Engineers can be spared from this Presidency without causing very considerable embarrassment to the Public Works Department, the Government, considering the circumstances under which the services of two Executive or Assistant Engineers are required for the direction of famine works in Ajmere, have resolved to place the services of Assistant Engineers of the 1st Grade, H. Roberts and P. O'Ratigan at the disposal of the Government of India, and have directed those gentlemen to proceed with all possible despatch to Ajmere via Calcutta, and to report themselves on arrival there to the Secretary to the Government of India in the Public Works Department. Messrs. Roberts and O'Ratigan have been informed that their travelling expenses will be reimbursed to them under the ordinary rules of the Department.

2. Having thus complied with the wishes of the Government of India, His Excellency the Governor in Council desires me to urge upon the favorable consideration of that Government his earnest recommendation that, in compensation for the expense and inconvenience to which the Assistant Engineers will be unavoidably subjected by their transfer to such a distance as Ajmere, the Government of India will be pleased to confer a step of rank on each of them.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

End. S. T. Augustin.

To
The Secretary to the
Govt. of India.

Sir,

In acknowledging the receipt of your telegram of the 24th instant, I am directed to state that altho' no experienced engineers can be spared from this Presidency without causing very considerable embarrassment to the Public Works Department, the Government, considering the circumstances under which the services of Exe. or Assistant Engineers are required for the direction of famine works in Ajmere, have resolved to place the services of Assistant

Sir.

Engineers of the 1st grade
H. Roberts and P. O'Ratigan
at the disposal of the Govt.
of India, and have directed
those gentlemen to proceed
with all possible despatch
to Ajmere via Calcutta,
and to report themselves
on arrival there to the
Secretary to the Govt. of
India in the Public Works
Department. Messrs Roberts
and O'Ratigan have been
informed that their tra-
velling expenses will be
reimbursed to them un-
der the ordinary rules of
the Department.

Having thus complied
with the wishes of the Govt.
of India, His Excellency
the Governor in Council
de-

desires me to urge upon the
favorable consideration of
that Government his earnest
recommendation that, in
compensation for the ex-
pense and inconvenience
to which the Assistant
Engineers will be unavoid-
ably subjected by their trans-
fer to such a distance as
Ajmere, the Govt. of India
will be pleased to confer
a step of rank on each
of them.
