Road.—Proceedings Revenue Department relative to the grant, from the ensuing year's Road Fund Reserve, of Rupees 6,400 on account of the maintenance of a portion of the road from Vizagapatam to Kassipore, Vizagapatam District, communicated to the Officer concerned.

Proceedings of the Madras Government, Revenue Department,
4th February 1869.

No. 95. Read the following Proceedings of the Board of Revenue, dated 16th January 1869, No. 269 :—

Read the following letters :—

From the Superintending Engineer, 1st Division, to the Secretary to Government, Department Public Works, dated Dowlaishwaram, 17th October 1868, No. 131.

1. In the Collector's Local Fund Budget of the Vizagapatam District for 1869-70, a sum of Rupees 6,400 is entered for maintaining thirty-two miles of the road from Vizagapatam to Kassipore, at Rs. 200 per mile. This is to supersede the existing allowance of Rupees 2,500, at Rupees 100 per mile, for twenty-five miles, which is found quite insufficient, owing to the present increased heavy traffic on the road. It will be seen from the enclosed Traffic Returns, that 355 laden and 309 unladen carts are (on an average) using the road daily, besides a considerable number of bullocks.

2. I have, therefore, the honor to submit, herewith, the Detailed Estimate, Specification, &c., for the proposed annual grant for the road in question, and to request that the necessary sanction may be accorded to the same.

From the same Officer, dated Dowlaishwaram, 6th November 1868, No. 155.

With reference to your Memorandum No. 67, dated 28th October 1868, I have the honor to submit, herewith, a Sketch Map shewing the direction of the Vizagapatam and Kassipore road as therein called for.

TRANSFERRED to the Board of Revenue. The Estimate being for the maintenance of a local road, should have been submitted by the Collector through the Board of Revenue.

Acting Secretary to Government.

ENCLOSURE No. 7.—Specification Report.

With the foregoing letter, the Superintending Engineer submits, for sanction, an Estimate, amounting to Rupees 6,400, for the maintenance of thirty-two miles of the road from Vizagapatam to Kassipore, at 200 Rupees per mile, and states that the amount is entered in the Collector's District Road Fund Budget for 1869-70.

2. This item was omitted from the general Road Fund Budget prepared in this Office and submitted to Government, under the impression that it formed a

portion of the Imperial line No. V., mentioned in Government Order, Revenue Department, dated 11th November 1868, No. 2,831; but from the Sketch Map received with the present letter, it is observed that the road is different from that classed as Imperial, though it runs into it a few miles north of Sringavarapocotta.

3. The Superintending Engineer is requested to state the actual distance from Vizagapatam to the point of junction with the Imperial line from Vizianagrum, and meanwhile the Board sanction, from the ensuing year's Road Fund Reserve, the sum of Rupees 6,000, and request the Accountant General to place the amount at the disposal of the Public Works Department after the commencement of 1869-70.
