*Proceedings of the Madras Government, Public Works Department,
13th February 1869.*

No. 384. Read the following letter from R. F. CHISHOLM, Esq., Architect, Madras, to the Secretary to Government, Public Works Department, dated Madras, 27th January 1869, No. 291 :—

1. I have the honour to bring to your notice, that a recent order given by the Magistrate of North Arcot has had the effect of preventing the Agents of the Contractors for the Presidency College from quarrying stone, and that in consequence the work of the College will shortly be stopped.

2. It has been the custom of the Contractors' Agents to quarry stone at the following places :—

Banavaram,	Cauttoopaukum.
Coothumbaukum,	Balakisnapooram.
Auycee,	Vaydunthangul.

But it is represented to me, that a Contractor, connected with the Revenue Survey Department, has obtained from the Magistrate of North Arcot the exclusive right of quarrying stone at those places. I respectfully beg that you will be good enough to reserve the right of the Government or their Agents to quarry stone for the Public Works Department.

3. I wrote officially to the Magistrate on the 11th instant, but as yet I have received no answer, and I am now inconvenienced for want of particular sized stones.
