Read the following letters:—

No. 386. From the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishwaram, 25th January 1869, No. 201.

With reference to G. O., No. 3,897, dated 14th December 1868, I have the honour to apply for authority to be given to the Controller of Public Works Accounts to pass the salaries and allowances of the discharged Talook Overseers, C. Vullabharoydoo and Y. Soondarsivarow, for the time they were employed to act for Mr. Harris and N. Kotiah.

REFERRED to the Controller of Public Works Accounts for report.

FORT ST. GEORGE,
2nd February 1869.

No. 387. From the Acting Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 4th February 1869, No. 4,596.

Adverting to your endorsement on the accompanying letter from the Superintending Engineer of the 1st Division, of the 25th January 1869, No. 201, I have the honour to state that there is no information in this Office as to the precise period during which C. Vullabharoydoo and Y. Soondarsivarow were employed as Acting Talook Overseers, *vice* Mr. R. Harris and Kotiah, respectively. These two latter, members of the permanent Executive Establishment, drew pay up to October and for December last in No. I. Range of the Godavery District, and as it is probable that their salaries for November were charged to estimates, I would suggest, in order to avoid any future complication in the question of their service for pension, that their pay for that month be drawn in the 1st Range, and that the sums which may be due to Acting Overseers C. Vullabharoydoo and Y. Soondarsivarow be charged to estimates by recovery of the salary to be drawn for Messrs. Harris and N. Kotiah for November 1868, from the Imperial allotment for Establishments.

1 letter from the Superintending Engineer, 1st Division.

ORDER THEREON, 13th February 1869, No. 489.

No. 388. ESTABLISHMENT, No. 59.

Under the circumstances explained in the second of the letters above recorded, the Government approve of the course recommended by the Controller of Public Works Accounts being followed in the payment and adjustment of the salaries of the subordinates* marginally noted, for November 1868.

* Mr. R. Harris, Talook Overseer.
