*Proceedings of the Madras Government, Public Works Department,
15th February 1869.*

No. 398. Read the following Proceedings of the Madras Government in the Judicial Department, dated 4th February 1869, No. 171:—

Proceedings of the Madras Government in the Public Works Department.

Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Palamcottah, 7th January 1869, No. 2,250.

1. There being no grant in next year's Budget for Subsidiary Jails, I have the honour to request I may be informed of the approximate amount likely to be made available for this Division, in order that I may be able to regulate the preparation of estimates.

2. For the completion of eight out of the nine works enumerated in my list, for the Madura District, *vide* G. O., No. 3,798, of the 5th December 1868, about Rupees 16,000 will remain to be expended after the 31st March 1869: and the last item, the Cutcherry and Jail at Pereacolum, will require at least Rupees 25,000 more.

To complete the six works entered in the list for Tinnevely, not less than 25,000 Rupees will probably be required after the end of this year.

3. There will thus be a demand of Rupees 41,000 for Madura District, and Rupees 25,000 for Tinnevely. If a larger grant of money is not to be expected, there is no advantage in preparing estimates at present; but if I have an idea to what extent there is a probability of funds being allotted, I will have estimates furnished so as to allow of the works being carried on early in the coming year.

4. On the supposition, however, that a large grant of money will be made, I shall feel obliged by some instructions as to the Subsidiary Jail works which are considered of the first importance, after those specified in the list that accompanied your Memorandum No. 66 of the 23rd October 1868. There are many more Jail buildings for which the submission of estimates is ordered, and I shall be glad to learn to which works the Jail Committee give precedence, or whether I should consult the Magistrates of the Districts as to those deemed by them most necessarily required.

ORDER THEREON, 29th January 1869, No. 276.

CIVIL WORKS, No. 77.

1. The Superintending Engineer of the 8th Division will be informed that the Government are not in a position at present to state what sum will be available next year for Subsidiary Jails in the 8th Division, but on the supposition that the assignment will be on a liberal scale, Captain Prendergast will prepare and submit the estimates referred to in paragraph 3.

2. Paragraph 4 will be referred to the Subsidiary Jail Committee through the Judicial Department.

(True Extract.)

Secretary to Government.

*Proceedings of the Madras Government, Public Works Department,
15th February 1869.*

COMMUNICATED to the Committee on Subsidiary Jails and to the Magistrates of Tinnevely and Madura.

2. The Committee on Subsidiary Jails will be requested to afford the Superintending Engineer, 8th Division, the information sought for in paragraph 4 of his letter.
