MEMORANDUM.

No. 160.

The undersigned has the honor, by order, to inform the Secretary to Govern-
ment, Military Department, in reply to his memorandum dated 22nd instant, that
paragraph 5 of the Order of Government dated 9th September 1867, No. 3380, was
not lost sight of when the recommendation for target practice butts, &c., being
constructed at Waltair was submitted.

2. The opinion expressed by Government, in the final paragraph of the above
quoted order, is quite in accordance with the Commander-in-Chief's views on the
question of concentrating Native troops at stations where there are no European
troops. Moreover, the withdrawal of the Regiment of Native Infantry from Waltair
to Vizianagram, and the abolition of the former as a Military station.—should these
measures be hereafter determined on—involve also the question of the disposal of
the Ordnance Depôt at Vizagapatam, and the future location of the European
Infantry Veteran Company; and His Excellency is of opinion that the Regiment at
Waltair should not be without the means of efficiently carrying on its target
practice, in accordance with the recent orders on the subject, pending the consider-
ation of these measures, which, under any circumstances, will probably not be
carried out for a considerable time, and possibly, may be set aside altogether as
inexpedient.
