MADRAS RECORD OFFICE.

Government of Madras.

Public Works DEPARTMENT.

G.O. No.	521	Press
		Mis.
453-54		
Dated	16-2-	1869.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
16th February 1869.*

No. 453. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 8th February 1869, No. 5,376:—

1. I have the honour to enclose a letter, dated 26th January 1869, No. 44, from the Collector of North Arcot, bringing to notice the state of the Burial Ground wall at his Head Quarter Station, Chittoor, and requesting that funds may be applied for, on account of its repair.

2. As directed in the latter part of G. O., No. 3,779, dated 28th November 1866, the work of constructing a new wall around the Cemetery at a cost of Rupees 1,100 was included in the Statement of works estimated to cost less than Rupees 2,500 each, requiring funds from the Reserve of 1867-68, submitted to Government from this Office on the 4th May 1867, but no funds were given. It was again brought forward in a similar Statement for the current official year, and submitted to Government on the 23rd April 1868, with a similar result.

3. It is not possible to provide funds at this late season of the official year.

From the Collector of North Arcot, to the Superintending Engineer, 4th Division, dated Gudiatthem, 26th January 1869, No. 44.

You may recollect that the construction of a wall around the Burial Ground at Chittoor was sanctioned by Government in 1866. The work has not yet been put in hand, because, as I gather from the remarks entered in the Progress Report just received from the Chittoor Range Office, funds have not yet been allotted for its execution. As the wall which now encloses the Burial Ground is in a very unsightly and ruinous state, I request you will give the matter your early attention, in view to requisite funds being provided from the sources at your disposal, and the work if possible being executed before the end of March next.

No. 454. ORDER THEREON, 16th February 1869, No. 521.

CIVIL WORKS, No. 64.

* Rupees 1,100.

As there are no funds at the disposal of Government for appropriation to the proposed enclosure wall to the Cemetery at Chittoor, the Superintending Engineer will apply for the requisite amount* after the 1st April next.

(True Extract.)

Colonel, R. E.,
Secretary to Government.

To the Superintending Engineer, 4th Division.
„ Ecclesiastical Department.
