*Proceedings of the Madras Government, Public Works Department,
17th February 1869.*

Read the following papers:—

No. 463. From the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Camp at Addunkey, 22nd January 1869, No. 143.

1 Copy of Controller's letter.

1. I have the honour to request the consideration of Government to the following interpretation put by the Controller on G. O., No. 2,845, dated 26th September 1865.

2. I forwarded my abstract as follows for December:—

	RS.	A.	P.
For my salary and deputation allowance for the month	700	0	0
My Regimental allowances as Major, from 1st to 5th	92	15	11
Do. as Lieutenant Colonel, from 6th to 31st	636	5	11

Total... 1,429 5 10

But applying the limit allowed in the above I claimed Rupees 1,350, being the maximum sum I could receive in the month.

3. The Controller alters this as follows:—

	RS.	A.	P.
Salary and deputation allowance from 1st to 5th	112	14	5
Regimental allowances as Major, do. ...	92	15	11
Maximum salary at 1,350 Rupees, from 6th to 31st	1,132	4	1

Total... 1,338 2 5

4. In reply to my appeal he has forwarded letter No. 4,334, dated 18th instant, of which I send a copy.

5. I submit respectfully that the Controller is not supported by the G. O., which allows me to draw all the money I am entitled to, within a certain amount, whereas the Controller treats the limit as the full amount of salary, and deducts from it again a proportionate sum.

REFERRED to the Controller of Public Works Accounts for report.

No. 469. From the Acting Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 2nd February 1869, No. 4,575.

1. Adverting to your endorsement on the accompanying letter from the Superintending Engineer of the 2nd Division, under date the 22nd January 1869, No. 143, I have the honour to state that, up to the 5th December 1868 inclusive, Lieutenant-Colonel Moberly was entitled only to the Military allowances of a

Under these circumstances, this Office passed to Lieutenant-Colonel Moberly his pay and allowances for the five days in question, according to the above rates, and his claim to the maximum salary of a Superintending Engineer of the 2nd class, 2nd grade, for that period seems wholly inadmissible.
