Nos. 152-153

Letter from the Military Department, communicating papers from the Government of India relative to the application from Colonel R. C. Tytler, of the Bengal Infantry, for an extension of leave on Medical Certificate and furlough rules of 1868, recorded.

Proceedings of the Madras Government, Military Department,
16th December 1868.

Read the following papers—
No 416

From the Officiating Secretary to the Government of India, Military Department, to the Adjutant General, dated Fort William, 30th November 1868, No 1049

I am directed to acknowledge the receipt of your docket No 1709, dated 11th instant, with its enclosures, regarding an application for extension of leave, on medical certificate, from Colonel R. C. Tytler of the Bengal Infantry, and to request that it may be intimated to that Officer, with a view to obviating the chance of misconception, that under clause XXVI of the new furlough rules of 1868, an Officer can only obtain leave in India on medical certificate with retention of Indian allowances for a total consecutive period of one year. If leave so taken is extended beyond that limit, the whole period of absence—subsequent to the date from which the new rules came into force—will be converted into furlough, and the allowances adjusted accordingly, the retention of appointment, in the case of an Officer holding one, being dependent on the amount and date of leave previously taken

2 As leave taken in India prior to the introduction of the rules of 1868, does not affect an Officer's claim or position in regard to leave taken subsequently, Colonel Tytler's limit of one year would reckon from 1st July last. As leave obtained on these terms might not suit the views and interests of Colonel Tytler, he is at liberty to adhere to the old rules should he prefer to do so, his leave not having yet been sanctioned under the rules of 1868, but his election in this respect must be final.

It would be desirable that the applicants should clearly understand what would be their position if the limit of twelve months was exceeded, and as regards applications for extension from Officers already on leave on 1st July last, they should be specially warned as to the date from which the limit reckons.

No. 1049A.

Copy of the above forwarded to the Secretary to Government of Fort Saint George, Military Department, for the information of the Right Honorable the Governor in Council.
