Proceedings of the Madras Government, Public Works Department, 4th June 1869.

No. 102. Read the following Proceedings of the Madras Government in the Military Department, dated 20th May 1869, No 1,907.—

Read the following papers —

From the Quarter Master General, to the Officiating Secretary to Government, Military Department, dated Fort St George, 14th April 1869, No. 2,785.

I HAVE the honour, by desire of His Excellency the Commander-in-Chief, to submit for the consideration of Government the accompanying letter* from the Controller of Military Accounts, suggesting that the renting of all the buildings which have already been hired by the Military Department without the intervention of the Public Works Department, shall, with a view to uniformity and simplicity of practice, be handed over to the Public Works Department in like manner with buildings which have been rented by that Department; the only exception being charges for ground rent, the allowance to married men under G O. G, No. 223 of 1861, and the rent of buildings required for offices and such like miscellaneous purposes, which, the Controller considers, appertain strictly to the Military Department.

*No 42, dated 12th April 1869

From the Controller of Military Accounts, to the Quarter Master General, dated Fort St George, 12th April 1869, No 42

REFERRING to the return of hired buildings recorded in Proceedings of Government, No. 427 of 28th January 1869, I have the honour to intimate that, as the rent of buildings hired by the Military authorities without the intervention of the Public Works Department is chargeable to the Military Department, most of the charges in the statement referred to have been admitted by the Pay Examiner

Paragraph 3 of this Office Circular, No 60, of 28th April 1868

2. It appears to me, however, that the intervention of the Public Works Department should, in all cases, be sought where the building is required for the accommodation of Commissioned, Warrant, and Non-Commissioned Officers, rank and file, and the sanction of Government in the Military Department has been obtained

Vide paragraphs 3 to 6, Chapter XI, Public Works Department Code, Bengal

Paragraph 3 of Order of Government, No 3,954 of 12th October 1867

3 Where the building has been already hired by the Military authorities, it will tend to uniformity and simplicity of practice if the Public Works Department take over the renting of the building, as in the case disposed of in Proceedings of Government, No 4,200 of 26th October 1868, and I would suggest that that Department be called upon to do so.

4 Charges for ground rent, the allowance (3 Rupees per mensem) to married men under G. O. G, No 223 of 5th July 1861, and rent of buildings required for offices and such like miscellaneous purposes appertain strictly to the Military Department

1 Letter from the Quarter Master General
1 Do. Controller of Military Accounts

WITH reference to your endorsement on the accompanying letters from the Quarter Master General and the Controller of Military Accounts, I have the honour to state that, so far as regards buildings which have been already hired by the Military authorities, there appears to be no objection to the renting of those buildings being taken over by the Public Works Department.

2. I would, however, suggest, in regard to buildings which may be hereafter required for the purposes specified in paragraph 2 of Colonel Touch's letter, that in order to prevent confusion, the intervention of the Public Works Department should invariably be sought.

3. For the guidance of this Office, I request that I may be furnished with a complete list of all such buildings as it is now proposed to transfer from the Military to the Public Works Department, and that extracts of that list be supplied, through the Divisional authorities, to Superintending Engineers, for communication to the Range Officers concerned.

MILITARY WORKS, No. 10.

UNDER the circumstances explained by the Controller of Public Works Accounts, the Governor in Council grants authority for the Public Works Department taking over the hiring of the buildings which are reported to have been rented by the Military authorities without the intervention of the Officers of this Department. A list of such buildings, prepared up to date, should be furnished to the Controller, and extracts of it supplied through Divisional authorities to Superintending Engineers for communication to the Range Officers concerned.

2. Measures should be taken to ensure a strict adherence to the rule which requires that all buildings needed for the accommodation of Troops, the rent of which forms a charge against the Public Works Department, shall invariably be obtained through the intervention of Public Works Officers.

(True Extract.)

COMMUNICATED to the Commander-in-Chief (Quarter Master General's Department,) and Controller of Military Accounts.

2. His Excellency will be good enough to cause the required list of buildings to be furnished to the Controller of Public Works Accounts.
